Education and Training

Section A

Hand and Upper

Extremity Fellowship:

Indiana Hand to Shoulder Center

8501 Harcourt Road

P.O. Box 80434

Indianapolis, IN 46280-8638

Hand and Upper Extremity Fellowship

July 2000 – July 2001

F. Thomas D. Kaplan, M.D. – Program Director

Orthopedic Residency:

Creighton University/

University Nebraska Health Foundation

UNMC Department of Orthopedic Surgery

981080 University of Nebraska Medical Center

Omaha, NE 68198-1080

Internship and Residency July 1995 – June 2000

Kevin L. Garvin, M.D. – current Chairman

James R. Neff, M.D. – past Chairman during residency

Mathew Mormino, M.D. – Program Director

Medical Education:

Medical College of Wisconsin

8701 Watertown Plank Road

Milwaukee, WI 53226

August 1991 -- June 1995

M.D. Degree – May 20, 1995

Undergraduate Education:

Marquette University – Bachelor of Science

P.O. Box 1881

Milwaukee, WI 53201

August 1986 -- May 1991

Major: Medical Technology

Minors: Biology, Chemistry and Psychology

Continuing Education:

American Society for Surgery of the Hand – 2022 Meeting

American Academy of Orthopaedic Surgeons – 2022 Meeting

American Academy of Orthopaedic Surgeons – 2019 Meeting

Instructional Course Lectures:

Elbow Arthroplasty: Lessons Learned from the Past and
Directions for the future

Post-Traumatic Arthritis of the Distal Radioulnar Joint:
Contemporary Perspectives.

Education and Training

Section A – continued

- Continuing Education:** Management of the Challenging Rotator Cuff Tears
American Shoulder and Elbow Surgery Specialty Day
- American Society for Surgery of the Hand – 2018 Meeting
Instructional Course Lectures:
- American Society for Surgery of the Hand – 2017 Meeting
- American Society for Surgery of the Hand – 2015 Meeting
Instructional Course Lectures:
- American Academy of Orthopaedic Surgeons – 2015 Meeting
Instructional Course Lectures:
The Unstable Elbow: Current Concepts in Diagnosis and Treatment
Massive Rotator Cuff Tears: Arthroscopy to Arthroplasty
Dilemmas of the Throwing Shoulder
Shoulder Arthroplasty: How To Do Them All
Shoulder Instability: Technical Skills
Arthroscopic Rotator Cuff Repair: Indications and Technique
ASSH Specialty Day
- Comprehensive Review in Hand and Upper Extremity Surgery
Course. Chicago, IL. July 12-14, 2013.
- AAOS/ASSH General Orthopaedic Review Course. Chicago, IL.
July 11, 2013.
- AO North America Hand and Wrist Fracture Management
Workshop, Indianapolis, IN. 12/15/2012
- American Society for Surgery of the Hand – 2012 Meeting
Instructional Course Lectures:
Scapholunate Instability: Advanced Reconstructive Techniques
Pediatric Elbow and Forearm Trauma: What To Do and When
To Do It
TFCC Repair: Open vs. Closed? Reliable and New
The Complex DRUJ
- American Society for Surgery of the Hand – 2011 Meeting
Precourses:
Wrist Instability
Pediatric Upper Extremity Trauma
Practical Approach to Ulnar Sided Wrist Pain

Education and Training

Section A – continued

Continuing Education: Instructional Course Lectures:

Technological Advances in the Assessment and Management of
Malunions of the Distal Radius – An International Prospective
Total Elbow arthroplasty – State of the Art
“Non Free Flap” Coverage of Hand Wounds

AAOS/ASES Elbow Reconstruction: Arthroscopy, Instability and
Arthroplasty. Rosemont, IL – October 1 & 2, 2010.

International Symposium on Shoulder and Elbow Arthroscopy.
New York, NY. October 24, 2009

American Society for Surgery of the Hand – 2008 Meeting

Instructional Course Lectures:

Upper Extremity Sports Injuries: Special Considerations for the
Athlete

Ulnar Sided Wrist Pain: A functional Approach Treatment of
Dupuytren's Disease

Distal Radius Fractures

Scaphoid Fractures and Nonunions: What's Hot, What's Not

Extreme Salvage Strategies for the Destroyed Elbow

Carpal Ligament Injury and Instability

Hand Arthroscopy: Indications and Techniques

American Society for Surgery of the Hand – 2007 Meeting

Instructional Course Lectures:

Ulnar Sided Wrist Pain

Hand and Wrist Injuries in Elite Athletes

Infection, Infiltration Injuries, Frostbite, Snakebite and Chemical
Burns

Zen and the Art of Flexor Tendon Surgery

Treatment of Hand and Wrist Deformities in Rheumatoid
Arthritis

Current Concepts in The Treatment of Distal Radius Fractures
Technology Symposium – May 14 -15, 2007

Clinical Concepts in Shoulder Arthroplasty – March 9-10, 2007

Education and Training

Section A – continued

- Continuing Education:** American Academy of Orthopaedic Surgeons – 2006 Meeting
Instructional Course Lectures:
Rotator Cuff Disease: From Arthroscopy to Arthroplasty
Shoulder Arthroplasty: The State of the Art
Shoulder Impingement Revisited: Advanced Concepts of
Pathomechanics and Treatment
SC and AC Injuries, Glenoid and Scapula Fractures
- Shoulder Arthritis: Management in 2006
Arthroscopic Rotator Cuff Repair: Indications and Technique
Principles and Procedures for Shoulder Instability: An
International Perspective
- American Society for Surgery of the Hand Comprehensive
Review Course in Hand & Upper Extremity Surgery – July 2005
Treatment Options for Difficult Fractures: A New
Technology Symposium – Dec. 4, 2004
- American Society for Surgery of the Hand – 2004 Meeting
Diagnosis and Treatment of Ulnar Instability
Management of Acute and Chronic Scapholunate Ligament
Disruption
Basal Joint Symposium
Elbow Fractures Symposium
Shoulder, Elbow and Wrist Imaging Symposium
Scaphoid Fractures and Nonunions Symposium
- American Society for Surgery of the Hand – 2004 Meeting
Hand Injuries in Professional Baseball Players Symposium
Nonsteroidal Inflammatory Medications Symposium
Advances in Arthroscopic Surgery Symposium
- Human Participants Protection Education for Research
Teams (Online NIH Course) – 1/17/2004
- Indiana Hand Society Meeting – May 16-17, 2003
- American Society for Surgery of the Hand
AAOS Specialty Day – February 8, 2003

Education and Training

Section A – continued

- Continuing Education:** American Academy of Orthopaedic Surgeons – 2003 Meeting
Instructional Course Lectures
Elbow Arthroscopy: Basic to Advanced
Wrist Instabilities
- American Academy of Orthopaedic Surgeons – 2003 Meeting
Instructional Course Lectures:
Minimally Invasive vs. Open Approaches in Shoulder Surgery:
Current Controversies
Athletic Injuries of the Elbow
Injuries of the Distal Radioulnar Joint
Flexor Tendon Injury & Reconstruction: State of the Art
- Discovery Total Elbow Course
Orthopedic Learning Center – April 2002
- American Society for Surgery of the Hand – 2001 Meeting
Instruction Course Lectures:
Evaluation & Treatment of the Rheumatoid Wrist
Brachial Plexus Injury, Anatomy, Evaluation
& Diagnostic Testing
Common Benign Tumors of the Upper Extremity
Current Concepts in Distal Radius Fractures
- American Academy of Orthopedic Surgeons 2001 Meeting
Instructional Course Lectures:
Athletic Hand Injuries – Diagnosis and Treatment
Arthroscopic Rotator Cuff Repair: Indication & Technique
Arthroscopy of the Elbow: Basic to Advanced
Open and Arthroscopic Shoulder Instability Repairs
- American Society for Surgery of the Hand Specialty Day
March 3, 2001
- AO/ASIF Resident/Fellow Hand and Wrist Course
Indianapolis, IN – November 2000
- Miller Orthopaedic Review Course
Colorado Springs, CO – May 2000
- Arthroscopy Association of North America - Meeting 2000
Controversial Issues in Arthroscopic Shoulder Surgery
- American Society for Surgery of the Hand

Education and Training

Section A – continued

Continuing Education: Specialty Day – March 18, 2000

American Academy of Orthopedic Surgeons 2000 Meeting
Instructional Course Lectures:

The Assessment and Management of the Stiff Elbow
Congenital Hand Differences
Brachial Plexus Palsy: Evaluation and Treatment
The Unstable Elbow: Anatomy, Biomechanics & Treatment
Key Issues in Choosing and Starting your Practice

Isola Instrumentation Principles and Practice Course
Kansas City, KS – August 1999

American Academy of Orthopedic Surgery Review Course
Chicago, IL – March 1999

Office Treatment of Arthritis Seminar
Omaha, NE – May 1998

Advanced Concepts in ACL Reconstruction Using a
Quadruple Bundled Hamstring Tendon Graft
Omaha, NE – April 1998

American Foot and Ankle Society Regional Review Course
University of Kansas Medical Center – October 1998

Adult Reconstruction & Trauma Surgery
Orthopedic Resident Symposium
Colorado Springs, CO – August 1998

National Orthopedic Resident Program Review Course
Chicago, IL – August 1998

AO/ASIF Residents Basic Course
Madison, WI – August 1997

A Review of Orthopedics and Orthopedic Pathology
Creighton University – May 1997

Dallas Short Course on Orthotics and Prosthetics
University of Texas – October 1996

American Foot and Ankle Society Regional Review Course
Omaha, NE – September 1996

Board Certification

Section B

American Board Of Orthopaedic Surgery:

Recertified: American Board of Orthopaedic Surgery
with Subspecialty Certificate in Surgery of the Hand
- June 30, 2023 (valid through 12/31/2034)

Recertified: American Board of Orthopaedic Surgery
with Subspecialty Certificate in Surgery of the Hand
- November 2013 (valid through 12/31/2024)

Certificate of Added Qualifications in Surgery of the
Hand – August 6, 2005

Orthopaedic Board Certified – July 11, 2004

Academic & Hospital Appointments

Section C

Midwest Orthopedic Specialty Hospital Medical Executive Committee, Chief of Staff – 1/1/21 to 12/31/22, 1/1/2024 to present.

AO ASIF Orthopaedic Hand & Upper Extremity Faculty, Instructor – 12/2005 to present

Clinical Professor – Marquette University – Department of Biomedical Sciences.
August 2012 - present

Assistant Clinical Professor - Medical College of Wisconsin Department of Family Medicine. July 2011 to present

Midwest Orthopedic Specialty Hospital Board of Managers – Treasurer – 1/1/21 to present

Midwest Orthopedic and Musculoskeletal Alliance/TS Ortho Board of Directors – 12/2016 to present

Midwest Orthopedic Specialty Hospital Purchase Service Committee, Physician Director – 1/1/16 to present

Midwest Orthopedic Specialty Hospital Medical Executive Committee, Chief of Staff Elect – 6/2018 to 12/31/20

Midwest Orthopedic Specialty Hospital Utilization Review Committee, Physician Member – 1/1/17 to 4/1/22

Midwest Orthopedic Specialty Hospital Infection Control Committee, Physician Member, – 1/1/16 to present

Midwest Orthopedic Specialty Hospital Board of Managers – Vice President/Secretary - 12/2016 to 12/31/20

Midwest Orthopedic Specialty Hospital Medical Executive Committee, Secretary – 6/2014 to 6/2019

Midwest Orthopedic Specialty Hospital Medical Executive Committee, Member at large – 6/2010 to 1/2014

Midwest Orthopedic Specialty Hospital Operations Committee – 2/2009 to present

Academic & Hospital Appointments

Section C

Midwest Orthopedic Specialty Hospital
10101 South 27th Street
Franklin, WI 53132
July 2009 to the present

Wheaton Franciscan Health Care - Franklin
10101 South 27th Street
Franklin, WI 53132
June 2007 to the present

Wheaton Franciscan Health Care - St. Francis Hospital
3237 South 16th Street
Milwaukee, WI 53215
July 2001 to the present

Director of Hand Therapy
The Performance Center
Covenant Health Systems
Milwaukee, WI
February 2003 to 2007

Academic Honors

Section D

Marquette University College of Health Sciences Distinguished Alumnus of the Year Award 2014

Frank P. Stone, M.D. Award for Academic Excellence – June 2000
Creighton University/University Nebraska Orthopaedic Residency

Houghton Award for Academic Excellence and Community Service – April 1995
State Medical Society of Wisconsin

American College of Surgeons Clinical Congress – 1994
MCW Representative to the Medical Student Program – Chicago, IL

Standing Ovation Award – Certificate of Recognition – 1993
MCW Student Affairs Committee, Medical College of Wisconsin

Outstanding Membership Recruitment Award – 1993
AMA-MSS Student Outreach Program

Alpha Sigma Nu – National Jesuit Honor Fraternity, inducted 1990

Balfour Award Nomination – Iota PI Chapter of Sigma Chi National Fraternity
Outstanding Academic and Service Award

Outstanding Student Service Award
Marquette University Program in Medical Technology

Professional Memberships

Section E

American Society for Surgery of the Hand – Member since 1/2001

American Board of Orthopaedic Surgery – Diplomate Member since 7/11/04

American Academy of Orthopedic Surgeons – Member since 7/1999

Indianapolis Hand Society – 2001 to present

Milwaukee Orthopaedic Society

State Medical Society of Wisconsin

Milwaukee County Medical Society

Research, Publications and Presentations

Section F

Schneider, J. "When You Lose Your Grip With Basilar Thumb Arthritis" The Edge. Summer 2015

"Elbow Instability" – Lecture and cadaver lab. Milwaukee Therapist education program, Brookfield, WI. October 17, 2013.

"Proximal Row Carpectomy and Four Corner Arthrodesis" – Lecture and cadaver lab. Milwaukee Therapist education program, Brookfield, WI. November 14, 2012.

"Dupuytren's Disease" – Lecture. Midwest Orthopedic Specialty Hospital, Milwaukee, WI. July 29, 2012.

"Common Problems of the Upper Extremity" Anatomy review and lecture. Marquette University, Milwaukee, WI. Annually since October 12, 2011.

"Common Problems of the Hand and Wrist" – Lecture and cadaver lab. Athletico, Milwaukee, WI. July 20, 2011.

"Augmentation of Rotator Cuff Repairs" Advanced Biological Solutions for Articular Surfaces. Midwest Orthopedic Specialty Hospital, Milwaukee, WI. May 7, 2010.

"Anatomy of the Hand and Wrist" – Cadaver lab. Marquette University, Milwaukee, WI. November 16, 2010.

"Common Problems of the Hand" – Lecture and cadaver lab. Milwaukee Therapist education program, Brookfield, WI. November 4, 2010.

"Principles Course of Fracture Management for Operating Room Personnel" AO North America. Course Chairman. Green Bay, Wisconsin. January 18-19, 2008

"Current Concepts in the Treatment of Distal Radius Fractures" – Course Faculty Little Rock, Arkansas. May 15, 2007.

"Current Concepts in the Treatment of Distal Radius Fractures" University of Arkansas Grand Rounds Presentation. Little Rock Arkansas, May 15, 2007.

"Current Concepts in the Treatment of Distal Radius Fractures" Course Faculty Hot Springs, Arkansas. May 15, 2007.

Schneider, John A. "Healthy Hands Are One Aspect of an Orthopedic Practice." The Milwaukee Journal Sentinel 26 Jun. 2005, final ed.: 2G.
